Dear Mr. Wang,

It is with much enthusiasm that I am writing to commend you & your company for the cold room related work in the field.

For the past Pharmaceutical project that we have worked together, you and Alpha Celsius team had provided us excellent installation works and delivered professional services throughout the project. We have also received the positive feedbacks from client on your works & performances, and I strongly believe everyone was satisfied with what you have done.

Looking forward to working with you soon.

Thank you

Yours Sincerely
